7. Storage time of personal data	Data is archived in accordance with the National Land Survey information management plan.
8. The legitimate interests pursued by the controller or by a third party (where the processing is based on a pursued interest)	Personal data is not processed for the purposes of legitimate interest pursued by the National Land Survey or by a third party.

9. The rights of the data subject

The data subject has the right to request access from the National Land Survey to personal data concerning himself or herself, that is to check his or her personal data stored in the register in accordance with the EU General Data Protection Regulation. The request shall be sent to the National Land Survey's Registry.

The data subject has the right to request from the National Land Survey a correction of inaccurate or incorrect personal data pertaining to the data subject without undue delay. The request to correct personal data shall be sent to the National Land Survey's Registry.

The data subject does not have the right to request the National Land Survey to remove personal data pertaining to the data subject when the processing of personal data is necessary to comply with a statutory duty, to perform a task in the public interest or in the exercise of official authority.

The data subject does not have the right to request the National Land Survey to limit the processing of personal data pertaining to the data subject when such processing is necessary for the National Land Survey to comply with a statutory duty. The data subject does have the right to request the National Land Survey to limit the processing of personal data pertaining to the data subject when the processing of personal data is based on the performance of a task in the public interest or in the exercise of official authority. The request to limit the processing of personal data shall be sent to the National Land Survey's Registry.

The data subject does not have the right to oppose the processing of personal data pertaining to the data subject by the National Land Survey when such processing is necessary for the National Land Survey to comply with a statutory duty. The data subject does have the right to oppose the processing of personal data pertaining to the data subject by the National Land Survey when the processing of personal data is based on the performance of a task in the public interest or in the exercise of official authority. The notification of opposition to the processing of personal data shall be sent to the National Land Survey's Registry.

The data subject does not have the right to request the National Land Survey to transfer personal data pertaining to the data subject when the processing of personal data is necessary to comply with a statutory duty, to perform a task in the public interest or in the exercise of official authority.

10. Right to withdraw consent for processing personal data

Personal data is not processed on the basis of the consent of the data subject.

11. Right to appeal to the Data Protection Ombudsman

The data subject has the right to lodge a complaint with the Data Protection Ombudsman, if the data subject is of the opinion that the National Land Survey does not comply with personal data processing legislation.

12. Obligation to submit personal data

There is no obligation to submit personal data.

13. Source of personal data

Notification by the attendee or the organisation's contact person.

A list of attendees drawn up and handed over by an external event organiser.

14. Automated decision-making and profiling based on personal data in connection with automated decision-making

The processing of personal data does not involve automated decision-making.
